

CATHOLIC CEMETERIES ASSOCIATED

A Ministry of the Diocese of Kansas City ~ St. Joseph

Decorations Policy

Catholic cemeteries are holy places of prayer and remembrance.

The Church honors the custom of families and visitors to express love and devotion for departed loved ones by the decoration of graves.

However, decorations must not create a safety hazard, impede proper maintenance, infringe on other graves, diminish the Catholic character of the cemetery, or offend others. For these reasons, Catholic Cemeteries Associated of the Diocese of Kansas City ~ St. Joseph employs regulations for the common good and regular cleaning of the cemetery.

These regulations are for the mutual protection of all individuals and families. They intend to help sanctify the memories of those buried within the cemeteries and to create an environment which awakens faith and brings consolation. These rules assist in protecting the cemeteries, creating and preserving their beauty, while ensuring that the interest of all concerned are addressed equally.

We thank you for your understanding and for your personal assistance to keep our cemeteries beautiful.

May God bless you and your family.
